AUGUST 2022

2020 Attente Red Wine

Sta. Rita Hills AVA, Santa Barbara County

A slightly Grenache-heavy split of Grenache and Syrah, the 2020 Attente Red Wine sports a deep purple/plum color to go with a great nose of ripe darker berries, new saddle leather, and peppery herbs. This rich, concentrated, medium to full-bodied blend has plenty of fruit, a great mid-palate, some building tannins, and outstanding length. It's a pure, undeniably delicious red to drink over the coming 7-8 years.
