92 POINTS

The 2017 Pinot Noir Bentrack is bright, focused and tense, with all of the energy that is found in so many Pinots from this site. Crushed flowers, white pepper, chalk, mint and red berry fruit all inform this energetic, finely sculpted Pinot from Alma Rosa. This is an especially ripe style for Bentrack, where the Pinots are often more nervous in feel. That is more of a stylistic consideration. There is no getting around the wine's beauty.
