WINEMAKER TASTING NOTES

A golden brilliant color with green highlights suggests a youthfulness.... On the nose, this wine is disarming in its aromas of wet stone, gravel, and citrus. Jasmine notes hint at freshness and vibrancy. On the palate, this Chardonnay is tightly wound and cerebral, with sizzling acid and a strong mineral streak. Flavors of key lime and clementine echo on the long, fresh finish. Drink now or cellar for as long as 5-7 years.
